By signing this request you authorize Blue Water Federal Credit Union to extend your final loan payment(s). Payments made through Payroll Deduction or Direct Deposit will be deposited into your account for the month. Interest will continue to accrue during the month. In some cases, based on the size of your balance, the interest that accrues may be greater than the amount of your next regular payment. It may take you several months to begin to reduce your principal balance. Each loan payment is applied first to unpaid late fees and charges, then to accrued interest due on the loan, and the remaining amount is applied to the principal balance. The final approval is at the discretion of the Credit Union. If you are currently past due on any loan(s), you may not take advantage of this offer.

*All BWFCU loans must be current. Your account must not be overdrawn, and you must have sufficient funds on deposit to cover the \$10 fee unless a check is enclosed.
